

## Enable Device Location Services

Select from the devices below, to enable your access to the E-Commerce site - iOS Mobile Device, MacOS Desktop, Windows, Android Smartphone. Instructions for each are provided below.

### **iOS Mobile devices**

1. Go to the Settings App.
2. Go to 'Privacy'.
3. Go into 'Location Services'.
4. Ensure 'Location Services' are on.
5. Scroll down and click 'Safari Websites'.
6. Make sure that Allow Location Access is set to "While Using the App."

Chrome has the same setting if you are using that instead.

### **MacOS Desktop**

Check if Location Services is turned on

1. Open 'System Preferences'
2. Select 'Security & Privacy'
3. Select 'Privacy' tab
4. Ensure 'Location Services' is checked
5. If it is not checked click the lock icon in bottom right corner of that window to make changes
6. Enter in your Username and password
7. Check The 'Enable Location Services' checkbox
8. If it is checked look at the list of allowed applications and make sure the web browser, you are using is also checked. Note that Chrome will not show up here, but Safari and Firefox will

If Locations is on, you may have previously blocked the CK Charity 50/50 Raffle site from using locations. To Unblock it:

## Enable Device Location Services
